**In New Zealand emergencies can happen any time, anywhere, and often without warning. Floods, storms, earthquakes, tsunami, volcanoes and other hazards can disrupt our lives, damage property and cause serious harm.**

When an emergency does happen, civil defence and emergency services will be busy helping the people who need them most.

It's up to you to make sure your family, and the people you care about, know what to do, and you all have what you need to get through on your own.

The good news is, it's really easy to get ready now. Have a chat with your family and work out what you'll do.
