

# **PURPLE DAY for EPILEPSY**

## **THURSDAY 26<sup>TH</sup> MARCH**

### **'epilepsy awareness'**

Hi All, Yes it's that time of the year again!

**PURPLE DAY :** Please support our Awareness Day by joining in with us and wearing some shade of purple on **Thursday 26<sup>th</sup> March**. If you are one of the brave you could paint your nails, spray your hair, wear a purple wig (anything goes). Share a morning tea/lunch with a purple theme or arrange an event of some sort.

For those of you who cannot wear purple because of work restrictions or do not have any purple clothes we have some **purple ribbons** available **for a gold coin donation**

Our only fundraiser is the purple ribbons. If you could sell some on our behalf it would be greatly appreciated – We have amounts of (10,12,20,25,50,100) or more if needed. Please contact Darlene and she will arrange the delivery of any ribbons, collection containers, posters and then afterward the **pick up** of all items.

To all you wonderful people who participated last year – **THANK YOU** and we hope you will do so again this year. (remember the photos).

Please contact Darlene Howell (Epilepsy Educator) either by phone or email for any queries or orders for purple ribbons, collection containers or purple day posters.

You can also go online direct to our website for a lot more information about Purple Day
